

Covair boilerplate and notes to editors

Covair press kit · June 2026 · For use at the foot of press releases and in journalist correspondence. Do not amend the wording without marketing approval.

Short (about 45 words)

Covair Structures Ltd designs, manufactures and installs air domes and framed fabric structures for sports facilities. Established in 1982, Covair is the UK's only manufacturer of polyethylene air domes and the exclusive UK distributor of DUOL premium air domes, with more than 200 installations across the UK. covair.co.uk

Standard (about 90 words)

Covair Structures Ltd designs, manufactures and installs air-supported domes and framed fabric structures for sports facilities across the UK. Established in 1982, Covair is the UK's only manufacturer of polyethylene air domes and the exclusive UK distributor of DUOL premium permanent air domes. More than 200 Covair installations keep sport playing year-round - from community tennis clubs and schools to professional football training grounds. Four service lines - DomeCare, DomeClean, DomeCycle and DomeFinance - support facilities throughout the life of a structure. Covair's purpose: to help more people play more sport, more of the time. covair.co.uk

Extended (about 140 words, with reference clients)

Covair Structures Ltd designs, manufactures and installs air-supported domes and framed fabric structures for sports facilities across the UK. Established in 1982, Covair is the UK's only manufacturer of polyethylene air domes and the exclusive UK distributor of DUOL premium permanent air domes. More than 200 Covair installations keep sport playing year-round - from community tennis clubs and schools to professional football training grounds. Four service lines - DomeCare, DomeClean, DomeCycle and DomeFinance - support facilities throughout the life of a structure. Covair's purpose: to help more people play more sport, more of the time. Clients include Watford FC, Manchester City, Sheffield Wednesday, Plymouth Argyle and Southampton FC in football; tennis clubs from The Grange Club in Edinburgh to Caesarean Lawn Tennis Club in Jersey; David Lloyd Clubs, which operates 35 Covair domes across its estate; and schools including Millfield and Clifton College. covair.co.uk
